General Practice & Acute Medicine Update Refresher 2

21 Nov 2018 - 27 Nov 2018 • Lawson Ballroom; Novotel Sydney Central 169-179 T, Australia

Abstract: The General Practice and Acute Medicine Update Refresher is one of the most comprehensive courses supporting GPs to meet the requirements for appraisals and revalidation. This four-day course offering 110 CPD credits consists of concise 20- 40 minute presentations by specialists in different fields of medicine. Participating physicians will be able to apply the most current treatment strategies to common clinical challenges in their practices. Extended Q&A sessions give participants the opportunity to interact with speakers and a handbook with a copy of the presentations serves as an excellent reference after the conference. In cooperation with FomF, the Australian Medical Forum organises 80 medical seminars and conferences each year with over 15.000 participants worldwide.

Contact: Phone: [401473933]; Email: halabi@amf-cpd.com.au

Topics: Oncology, Dermatology, Neurology, Gastroenterology, Cardiology, Endocrinology, Infectious Diseases, Paediatrics

Related subject(s): [Continuing Medical Education \(CME\)](#)
