### BMJD — 5<sup>th</sup> World Congress on Controversies, Debates & Consensus in Bone, Muscle & Joint Diseases

31 Aug 2017 - 02 Sep 2017 • Gold Coast, Australia  
Abstract: Over the years, the field of bone, muscle and joint diseases have undergone enormous expansion in clinical and basic data, as well as that of field-related technology. With the problem of bone, muscle and joint diseases reaching epidemiological dimensions, treatment possibilities are expanding. This development has created a need for debates and discussions on the numerous controversial issues to attain clinical conclusions. The 5<sup>th</sup> BMJD Congress will address the most burning questions in the field of Rheumatoid Arthritis, Inflammatory Arthritis, Osteoarthritis and Pain. It will provide an effective forum to discuss and debate these questions. In addition, there will ample time allocated to speaker-audience discussions.
